Cancellation must be in Writing. You do not have the right to cancel by calling the school or by not coming to the course. To cancel the contract, please mail or deliver a signed and dated copy of the Cancellation Notice, or a written notice of the same effect to: Christine K Beauty School, 1394 Tully Road, Suite 203, San Jose, CA 95122.

Refund Policy. Even if you withdraw more than seven days after the course enrollment or after the first day of class but having completed less than 60 percent of the course hours, you may be entitled to a partial refund. If you only completed 60 percent or less of the course hours, you may receive a refund pro-rated based on the uncompleted portion of the course less the cost to the school of any unreturned equipment and a registration fee not to exceed \$75.00. The refund shall be calculated in the following manner and shall be made within 45 days after the date the school receives the student's written Notice of Cancellation.

If after a student enrolls, the school is permanently closed and no longer offers instruction, the student will be entitled to a pro-rated refund of tuition as stated in this refund policy and the enrollment agreement. Enrollment Time is defined as scheduled hours of attendance. It is the portion of the course scheduled to be completed between the actual starting date and the date of the student's last day of physical attendance in the school.

Note: this institution calculates refunds under the State AB 1402/4052 requirements as stated above, and the National Accrediting Commission of Cosmetology Arts and Sciences (NACCAS), and the Federal Department of Education's refund (DOE) requirements under PL 102-325, Sec 484B. The refund which delivers the highest refund amount to the student's benefit is the refund which is used. See the school administrator for the DOE or NACCAS refund requirements. In most cases the State refund policy will deliver the highest refund amount to the student's benefit.

Please note that the date of cancellation will be the postmarked date or the date the written request was delivered to the school administrator or owner. This policy applies whether or not the student has actually begun training.

HYPOTHETICAL REFUND EXAMPLE

A student enrolls in a 1,600 hour cosmetology course, pays \$4,000.00 for tuition, \$75.00 for registration, and \$595.00 documented cost to the institution for equipment as specified in the enrollment agreement. He withdraws after completing 800 hours. The pro-rated refund to the student would be based on the hypothetical calculation stated below:

Hours Completed/Hours of Course = Percentage of Hours Completed (800 Hours Completed/1600 Hours for Cosmetology = 50% of Hours Completed)

Percentage of Hours Completed X Tuition for Course= Tuition Earned by Institution
(50% of Hours Completed X \$4,000 Tuition for Cosmetology = \$2,000 Tuition Earned by Institution)

Tuition Paid by Student – Tuition Earned by Institution = Refund Due to Student
(\$4,000 Tuition Paid by Student - \$2,000 Tuition Earned by Institution = \$2,000 Refund Due to Student)

BANKRUPTCY

The institution has no pending petition in bankruptcy, is not operating as a debtor in possession, has not filed any petition within the preceding five years, nor has had a petition in bankruptcy filed against it within the preceding five years that resulted in reorganization under Chapter 11 of the United States Bankruptcy Code (11 U.S.C. Sec. 1101 et seq.).
