<sup>2</sup>Number of graduates – the number of students who have completed the program within 100% of the published program length.

<sup>3</sup>Graduates available for employment – the number of graduates minus the number of graduates unavailable for employment.

Graduates unavailable for employment - the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

<sup>4</sup>Graduates employed in the field – graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

<sup>5</sup>Placement Rate – the ratio, converted to a percentage, of the number of graduates gainfully employed in the field to the number of graduates available for employment.

These graduate placement rates may include entry level jobs that pay entry level wages. After completion of program(s) from our school, you may obtain an entry level job that pays entry level wages. We cannot predict the position a graduate might eventually attain or the income a graduate might eventually earn. If you will seek financial aid in connection with attending Christine K Beauty School you should create a budget based on your own personal analysis to ensure you can repay your student loans on the wages you personally expect to earn after graduating.

Students are entitled to a list of the job classifications considered to be in the field of this educational program. To obtain this list, please ask the school director, Christine Khuu.
